

MuseKat

Museums Made Fun with Miko!

musekat.com

Scavenger Hunt Details

- **Museum:** Metropolitan Museum of Art, New York City
- **Target Ages:** 5-10 year-olds
- **Duration:** 45 minutes - 1 hour
- **Location:** First floor (starts in The Great Hall, through Egyptian Art)

"Hi there! I'm Miko the Meerkat, and I love exploring the amazing treasures at the Metropolitan Museum of Art. Will you join me on a special adventure? Let's discover these incredible objects together!"

Get started at musekat.com

How to Play

1. Find each treasure on your mission.
2. Take a photo of the exhibit & museum label with MuseKat.
3. Hear a customized audio story from Miko. (Bluetooth headphones recommended!)
4. Check off the box when you're done.

Curiosity calls!

Treasures to Collect on Your Mission

Look for these treasures on your exploration of the **first floor** of the museum! (And use Miko to learn more about anything else that you get curious about along the way.)

1. The Golden Mummy ✨

Look for Artemidora's beautiful mummy case with shiny gold decorations and special pictures that tell stories about ancient Egypt.

2. Harkhebit's Home 🏠

Discover the giant black stone case where Harkhebit rested. Look for the special pictures that were meant to protect him.

3. The Sacred Temple 🏛️

Discover the Temple of Dendur - it's a real temple from ancient Egypt! Count how many columns you can see.

4. The History Painter 🎨

Look for the serious man in the golden frame - that's Alexander Hamilton! Notice his fancy white collar.

5. The Dancing Bears 🐻

Spot three big bronze bears having fun! One is standing up tall, one is looking around, and one seems to be dancing.

6. The Knight's Horse 🐎

Find the brave knight in shining armor sitting tall on his horse. Look at all the special decorations on the armor!

7. The Amazing Table 🌸

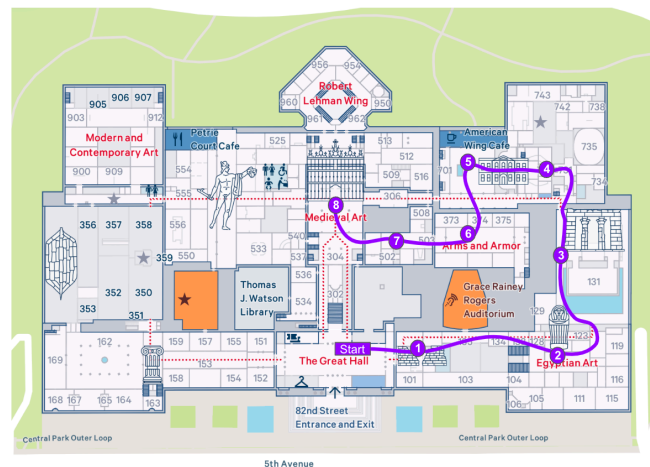

Find the beautiful Farnese Table with pretty flower designs. Look for special lily flowers called fleurs-de-lis!

8. The Magical Screen ✨

Look for the giant iron screen from Spain that looks like delicate lace made of metal. Can you find all the crosses on top?

Tips for Your Trip

- **Use this map** to plan your route.
- **Special Meerkat Mission:** After the hunt, check MuseKat for a special learning mission you can do at home.
