Treasures to Collect on Your Mission

Look for these treasures on your exploration of the **second floor** of the museum! (And use Miko to learn more about anything else that you get curious about along the way.)

1. The Magic Night Garden 🌿

Look for the giant dark weaving with white flowers and colorful branches reaching up. Can you spot the yellow and orange shapes floating in the sky?

2. The Dancing Glass 🎨

Find the special display with purple, blue, and brown pictures hanging between black metal poles. Can you count how many artworks are floating in the air?

3. The Story Houses 🏠

Spot the three colorful wall hangings that show tiny houses and gardens. Look for people walking around the buildings and red roofs on the houses!

4. The Earth Picture 🌍

Look for the colorful painting with a bright blue Earth in the sky and a train at the bottom. Can you spot all the golden patterns around the edges?

5. The Kitchen Machine 🍳

Find the big metal box that looks like a kitchen! Notice the hanging light bulbs and special machine that makes different smells in the air.

6. The Rainbow Toys 🧸

Look for the huge floating sculpture made of colorful stuffed animals! See how many different toy animals you can count in all the colors.

7. The Magical Bird 🦋

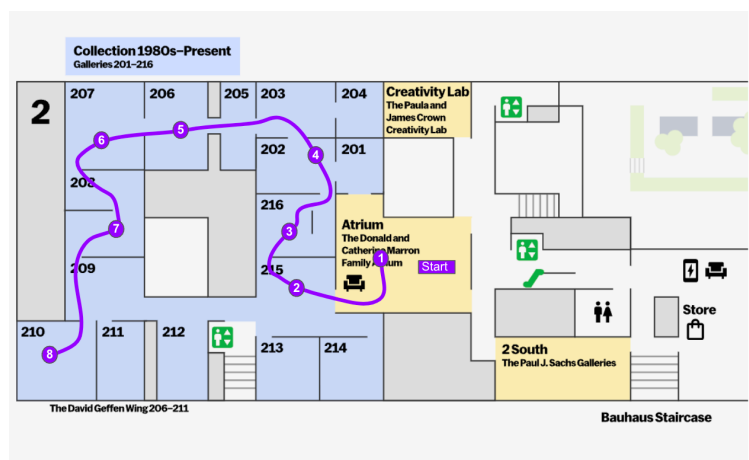

Find the delicate bird made of thin black lines that spreads its wings across the wall. Notice how it looks like it's about to fly away!

8. The Giant Tower 🗼

Find the huge dark gray blocks that stack up toward the ceiling. See how tall they reach - they're as big as a house!

Tips for Your Trip

- **Use this map** to plan your route.
- **Special Meerkat Mission:** After the hunt, check MuseKat for a special learning mission you can do at home.
